

Welcome to our Website

The school is situated in the Musgrave Hill/Southport area and has an enrolment of approximately 400 students. It is a co-educational Prep-7 school with extensive facilities, including well resourced classrooms, large play areas, an extensive Resource Centre including a computer lab and a magnificent hall where students take part in assemblies, performances and educational shows and concerts. The school has a dedicated staff committed to our purpose, which is :

"To nurture and value individual differences empowering students to engage in life-long learning."

All banner images shown on our website are murals which can be seen decorating our school.
