NAIDOC Day

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Its origins can be traced to the emergence of Aboriginal groups in the 1920's which sought to increase awareness in the wider community of the status and treatment of Indigenous Australians.

NAIDOC Week is held in the first full week of July. It is a time to celebrate Aboriginal and Torres Strait Islander history, culture and achievements and is an opportunity to recognise the contributions that Indigenous Australians make to our country and our society.

At Musgrave Hill our celebrations were held on Friday 15th July and started with a whole school assembly and then all students were given the opportunity to participate in a variety of different cultural activities. It was clear through my classroom visits that all students were thoroughly engaged and enjoying the celebrations.
BASE (Be At School Everyday) Awards for Term 3
We have our second BASE awards winners for term 3, our Prep to Year 2 winner was Isabel Weis and our Years 3 to 6 winner was Ruth Clarke. Each winner received a $30 gift card that can be spent either at the Uniform Shop, excursions or can be used to contribute to your child’s Student Resource Scheme. Please remember every day at school counts.

2017 Enrolments
As we start to plan for the 2017 school year I am asking all parents who will be leaving us at the end of the year to advise the school administration. Your support is invaluable as we are already planning for the new school year and predicted enrolments are essential for this planning. Our Prep enrolments are filling fast! If you have a child starting Prep next year or know someone who does, please enrol now! This is critical as we plan for the 2017. We know that our reputation as having one of the best Prep programs in the area makes us popular, but we would appreciate you spreading the word and helping us maintain our strong student enrolment.

Protocols for Parents Meeting with Teachers
As a Principal I believe communication is the key to success therefore I have a very open door policy. All parents have the opportunity to make appointments with their child’s class teacher at any time during the term. While we have formal written reporting at the end of term 2 and term 4, if you have any other questions or concerns you are welcome to approach your child’s teacher and make an agreed upon time to meet.

It is important to note that teachers do have varying commitments before and after school so it is important to make a time that suits you both to ensure you have the one on one attention you deserve. Our teachers take their jobs very seriously with the aim of getting the best outcomes for each child in the class. Unplanned visits do not allow the teacher to teach or the students to learn in a productive way.

It is always a good idea to discuss any initial concerns you have with the class teacher. If you still require or would like further clarification on any issue or concern please see our wonderful ladies in the office and make a time to meet with one of the administration team.

School Opinion Survey
Every year Education Queensland conducts a School Opinion Survey. Last week the eldest in the family was given a letter with clear instructions on how to complete the survey. The survey is completely confidential with a one-use code for completing the survey on line. Your opinion matters so please take the time to have your say. The survey will be available until 29th July.

Julie-Anne McGuinness - Principal

MESSAGE FROM THE DEPUTY PRINCIPAL

Welcome back to Term 3! There are lots of exciting things happening for students as we move forward into the second half of 2016. This term includes events such as Book Week, disco, science incursions, Life Education and much more.

Prep enrolments for 2017
We are now taking prep enrolments for 2017. Enrolment packs can be collected from the office. Please complete the paperwork at your earliest convenience to assist us with scheduling enrolment interviews and predicting enrolment numbers for next year. A reminder about the dates for sessions this year:

- Prep 2017 Classroom Experience: Wednesday 7th September 9:30-10:30am
- Prep 2017 Information Sessions (please note that the following two sessions have the same content but will be delivered on two separate dates for your convenience):
  1. Thursday 25th August 9:30-10:30am
  2. Tuesday 18th October 5:30-6:30pm
- Prep 2017 Transition Morning: Tuesday 22nd November 9:30am
Class Captains for Semester Two

At last week’s assembly the semester two class captains were awarded their badges and we thanked the semester one class captains for their dedication to the role. Congratulations to the semester two captains on their selection.

Learning Tip

Doing Maths at Home Together

Making patterns

Recognising and making patterns are important maths skills for exploring numbers, shapes and symmetry.

- Identify and explain visual patterns on clothing, wrapping paper, crockery, cards and furniture.
- Use coloured pegs, blocks, beads or cutlery to begin a pattern for your child to continue. For example, red, blue, white, red, blue, white.
- Encourage your child to draw, create and describe their own patterns. Use them for borders or greeting cards or on material.
Go on a number hunt
- Look at and say the numbers on car number plates, signs, calendars, newspapers, shopping catalogues, speed signs, house numbers.
- Use different numbers as the starting point for practising counting, for example start counting from 6 or 10. Ask your child to count forwards and backwards. Ask what number comes before or what number comes after.
- Identify the numbers on a calculator. Use an online talking calculator at http://pbskids.org/cyberchase/games/calculator/calculator.swf

Parenting Tip
How things go at home in the morning can set the tone for the day ahead. A predictable and positive morning routine for school can help children arrive at school feeling calm, fed and ready to make the most of the first few hours of the day.

Morning routine for school: the whys and hows
Children don’t understand time in the same way as grown-ups. This can make school mornings a stressful time of day for families.

But staying calm and getting along in the morning will help you all feel positive about the day ahead. For example, fighting with children in the morning makes it harder for you to work well. It even increases the risk of you having an accident at work.

The most useful way to reduce morning chaos is to establish a morning routine for school. Sticking to a morning routine for school helps your children predict what’s coming, and remember what they need to do.

Here are some ideas to take some of the pressure out of school mornings – even if things don’t always go smoothly!

Planning ahead for school mornings: the night before
The first step in your morning routine for school is to think about what you need to do and work out a plan for doing it. You’ll probably find that you can do many things the night before.

Here are some ideas:
- Try to find out the night before (or even earlier) if there is something special going on at school the next day.
- Organise lunches and set the breakfast table ready for the morning rush.
- Get your child to have a bath the night before. This means you won’t have to worry about this in the morning.
- You might know something is going to come up that could cause conflict, like buying lunch or choosing which clothes to wear. Talk about it the night before when everybody has time and you’re all less likely to be stressed.
- Think about having a weekly schedule or calendar with reminders of what your child needs to take to school each day – for example, library books, sports clothes, show and tell, and so on.
- Think about getting ready for your day the night before as well, to help ease time pressure in the morning.

Your morning routine for school: tips
- Try getting up 15-30 minutes earlier. The extra time might help things run more smoothly. Also try to allow plenty of time to get from home to school. Rushing can really increase everyone’s stress levels.
- Think about an alarm clock for children who find it hard to wake up or don’t like getting out of bed.
- Tackle the morning as positively and as optimistically as you can. Good moods can be infectious. One way to do this is by focusing on the positive aspects of your children’s behaviour and praising them – for example, ‘Great to see you eating some toast’.
- If your children are young, remind them what they’re meant to be doing and when. Simple ‘to do’ checklists, even with pictures, can help as a reminder.
- Once your children are old enough, encourage them to do more for themselves – for example, getting dressed on their own, making their own breakfast, and tidying up after themselves. Mornings are easier when your children are more independent.
Cut down on distractions. Television can distract children from getting ready, and many families have a rule about no television in the morning. Think about leaving the TV off, unless it’s a special treat for being ready on time.

- Give your children calm and clear instructions about what you want them to do, and follow up with specific praise as soon as they start to cooperate. Try not to give your children extra attention for arguing, whining or stalling. Even negative attention is an incentive for them to keep going with this behaviour.

**Health Tip**

**Homemade Muesli Bars**

Muesli bars are an easy snack to drop into your kids’ lunch boxes but they can be expensive - and full of sugar, fat and who knows what else! Try making these healthy homemade muesli bars instead - your kids won’t taste the difference. Makes: 24 | prep: 0:10 | cook 0:20

**Ingredients**

- 1/2 cup (125mL) honey
- 1/4 cup caster sugar
- 125g butter
- 3 cups rolled oats (see note for gluten-free option)
- 1 cup Rice Bubbles
- 1 cup sultanas
- 1/2 cup chopped apricots, dates or choc chips
- 1/2 cup desiccated coconut
- 1/4 cup pepitas (pumpkin seed kernels), sunflower or sesame seeds

**Method**

1. Preheat oven to 180°C (160°C fan-forced).
2. Grease and line a slice tray (31 cm x 22cm) with baking paper.
3. Combine honey, sugar and butter in a saucepan over medium heat. Cook, stirring, for 2-3 minutes until butter melts and sugar dissolves. Bring to the boil and cook for 2 minutes or until syrup thickens slightly. Remove from heat.
4. Combine remaining ingredients in a large bowl. Pour over the hot syrup and stir to combine.
5. Spoon into prepared pan and press firmly to make sure the mixture will stick together.
6. Bake in oven for 15-20 minutes or until golden.
7. Cool and then refrigerate until well chilled and cut into 24 slices (about 2cm x 6cm).

# CLASSROOM CAPERS – 1 JADE

### NAIDOC DAY – 1 JADE

1 JADE had so much fun completing an Art activity on Friday the 15th July for NAIDOC Day. Students listened to a Dreamtime story called ‘Tiddalick the Frog’. They then created a traditional aboriginal dot painting that formed a green frog with blue water surrounding it. They loved adding a red curly tongue to each frog for a special 3D look. They are now proudly hung up in our classroom for everyone to see!

Instrumental Music – Monday Afternoons with Alannah Bowen
Students from our Monday afternoon instrumental music groups along with our beginner band will be performing at assembly on Monday afternoon 25th July. We welcome parents to come along and listen to this wonderful performance.

NETTS NEWS

eLearning
Musgrave Hill State School continues to move forward in its development of the necessary infrastructure to support eLearning.

It has been great to see how many students are bringing their iPads to school, ready to make the most of eLearning opportunities.

This term the eLearning section of the Newsletter will highlight some of the paid apps that students are using to complete their work. Remember: it is a condition of bringing iPads to school that students bring them charged and with the requested apps. Apps that form part of the school core list are usually able to be used across a number of year levels.

App: Book Creator $7.99

Book creator is an ePublishing app that allows students to create and publish eBooks, pdfs and comics. It allows students to add text, photos and images, video and music, and even record their voice. Students can use the pen tool to draw and annotate their work and with a quick tap books and other ePublications can be read in the app iBooks!

This week we showcase some work in Mathematics done by 2 Mauve using the app Book Creator and a number of the tools available in the app. Well done 2 Mauve!

For more information on our school eLearning policy and the Core app list, please go to the school website https://musghillss.eq.edu.au/Curriculum/Subjectsandprograms/Pages/iPad-Project.aspx.

If you have any questions about the app or any other eLearning issues, please do not hesitate to contact me.

Mrs Katie Halsall – P.E. Teacher
Musgrave Hill SS has been lucky enough to form a relationship with a wonderful department who will be presenting Positive Parenting Seminars at our school – this chat is called Changing Problem Behaviour Into Positive Behaviour.

WHERE: Science Room in the Library

WHEN: Week 3 Term 3 (27th July) AND Week 4 Term 3 (4th August)

Wed 12:30 – 2:30pm

Thurs 9:00 – 11:00am

WHO: A parent/carer with a child who has a disability or a suspected disability

WHAT: The below information provides a brief outline of this wonderful service available to you

Triple P seminars

Whether you just need reassurance that you are on the right track or maybe you are noticing a few problem behaviours that are becoming difficult to manage – Triple P seminars are a short, yet valuable introduction to positive parenting strategies.

This 2 hour seminar can help you feel more confident and ready to deal with the common child behavioural and emotional issues.

The seminars are interactive and allow plenty of time for you to ask questions about what you are experiencing and how you are feeling. Your accredited Triple P leader will be happy to discuss your family’s individual concerns and help and support you to work out positive parenting solutions for your family.

Seminars are a great way to cover key areas and get help with problems, including:

- why children tend to behave in certain ways
- what methods children respond to best
- dealing with behaviours such as aggression and disobedience
- recognising and managing less obvious situations such as sadness, anxiety, difficulty with separation and problems mixing with other children

Register your name (for catering purposes) with me at ewhit207@eq.edu.au (Emma White) or add your name to the list at the front office.

What is Get Started Vouchers?

Get Started Vouchers is one of the funding programs that comprise the Queensland Government’s Get in the Game initiative to support sport and active recreation at the grassroots level.

Get Started Vouchers assists children and young people who can least afford or may otherwise benefit from joining a sport or active recreation club. Eligible children and young people can apply for a voucher valued up to $150, which can be redeemed at a sport or recreation club that is registered for Get Started Vouchers.

Who is eligible?

Individuals eligible to apply for a voucher are:
- children and young people who are aged from five to 17 (inclusive) at the time of application who hold or whose parent, carer or guardian hold a valid Contraindication Health Care Card or Pensioner Concession Card with the child’s name on it, and who are residents of Queensland
- other children or young people identified by two referral agents.

What funding is available?

A maximum of $150 per voucher is available to help pay the cost of sport or recreation membership and/or participation fees. There is a limit of one voucher per child/youth per year.

When will the vouchers be available?

The following table provides round dates for the next three years.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

How do I apply for a voucher?

To obtain a voucher:
- visit www.qld.gov.au/recreation/sports/funding/getinthegame/
- view the list of registered clubs to find a club or confirm that the club your child is interested in joining is registered
- contact the club to ask about equipment required for the activity and any additional fees that may not be covered by the voucher
- click on the apply for a voucher link on the department’s website and enter your details and the eligible child/youth person’s details, including a Controllink Health Care Card or Pensioner Concession Card number or referral agents’ details.

If you are eligible, a voucher with a unique reference number will be generated. Print the voucher and take it to the registered sport or recreation club the child/youth person intends to join (prior to the expiry date) to receive up to $150 off the club’s membership/participation fees.

---

1 Vouchers will be distributed in two rounds each year on a first come, first served basis. Once the allocation for each round is exhausted, the program will close and no further vouchers will be offered for that round.

2 Refer to the Get Started Vouchers Referral Agents Fact Sheet for information on referral agents.

3 If the membership/participation fees are more than $150, the parent/guardian/carer is required to pay the difference. If the membership/participation fees are less than $150, the department will pay the club for the membership/participation fees only. The balance is not reimbursable in cash or as payment for individual items to participate in the activity (such as jerseys, boots etc.)

4 You will still be required to complete and comply with the sport or recreation club’s registration process.
